

# Doodle for Google

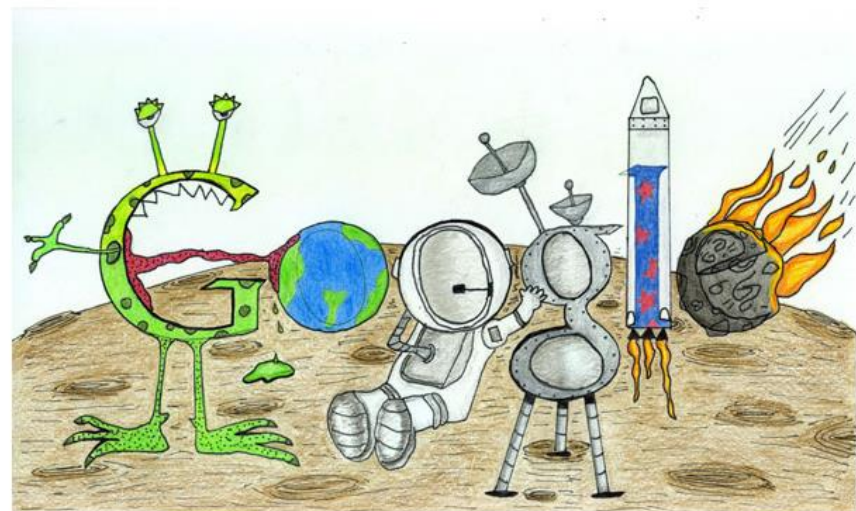

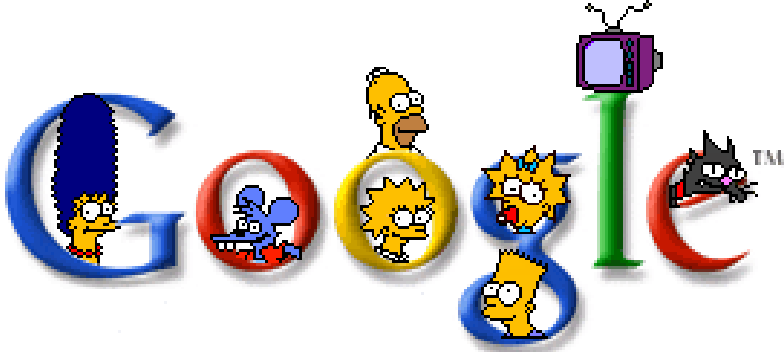

## Your Task

Every year google asks schools to design a new google logo picture that they can use on their website.

You can choose any theme, you can use ideas from previous entries (some included) or you can design your own idea.

There is a google sheet included to use or simply use a blank piece of paper.

The design can be drawn, painted or using a computer. It is up to you. Just have fun.

TITLE OF YOUR DOODLE:

USE THIS SPACE TO CREATE YOUR GOOGLE DOODLE: ▼

The image shows the word "Google" in its signature multi-colored font, rendered in a 3D style with shadows and highlights. The letters are: G (blue), O (red), O (yellow), g (blue), l (green), e (red).
