

# Fact file

Try to write your work like a biography.

Each paragraph can be written as a different stage of their life.

Paragraph 1 – Birth and early years.

Paragraph 2 – Teen age years.

Paragraph 3,4,5... – Adult Life and Fame

Paragraph 6 – Conclusion (death if no longer alive)

Remember you can write more than one biography by writing about more than one famous person.

## **Extension**

*Why not try writing an AUTOBIOGRAPHY where you are the famous person. Tell us why you became famous and the things you achieved.*
