

Writing Task 1 - Animal Report

- You will need to research as many facts as you can about your chosen animal (It could be one of your pets!) - think about the subheadings you might use: appearance (what they look like), diet (what they eat), habitat (where they live), interesting facts etc.
- You can do a short plan of your report (see template attached)
- You can present your work however you would like! Written, leaflet, typed, video report etc

Writing Task 2 - Writing Competition

- You have discovered a new planet and your job is to write to NASA with a description! We want the most detailed and imaginative descriptions possible
- What does it look like? What is the temperature? What is on there? Are there any living things? Is it good/evil?

Non-Chronological Report Plan

Title: _____

Introduction (What your report is

about): _____

_____.

Paragraph 1:

(Habitat/Diet/Appearance) _____

Paragraph 2:

(Habitat/Diet/Appearance) _____

Paragraph 3:

(Habitat/Diet/Appearance) _____

Conclusion (Do they need protecting/interesting

facts) _____

TIP: Use your SPAG sheets to help you include different sentence types and punctuation. Remember the sentence types we have already done: Imagine...Outside(Inside).....Expanded noun phrases etc..
