

Hi everyone,

I'm thinking of you all at this very tough time and sending lots of positive energy to you and your families!

I have been spending a lot of time going for walks. Eddie loves being on his scooter.

We've also been baking (and eating!!) cookies and cakes.

I'm very proud of you all for staying strong.

I've seen some of you in school and spoken to some of your parents and it sounds like you're doing a great job.

Take care everyone,

Mrs Carr xxx

Hi everyone.

It was lovely speaking to some of the people you live with last week and hearing what you have been up to.

I have been busy in my garden planting lettuce, tomatoes and peas. My cat Milo has been helping by lying in the raspberry bushes and guarding them.

I have enjoyed seeing the work you have sent me and would love to see some of you baking, gardening and other fun activities as well.

You are all doing brilliantly and I am so proud of you.

Keep safe

Mrs
MacDiarmid
xx

Hi everyone,

I hope you're all safe and well and trying to keep yourselves busy.

I've been enjoying the sunshine and spending a lot of time in my garden planting lots of pretty flowers.

It's been really nice to see some of your faces on the Lower Farm Facebook page holding some of the work you've been doing at home. Keep up the good work 🍷 Carry on smiling and stay safe.

Looking forward to seeing you all at the end of the rainbow 🌈

See you soon
Thinking of you
all

Lots of love
Mrs Sargeant xx

Hello year 4,

I hope you and your families are keeping safe and well. I know things seem unfamiliar right now but we will hopefully we will all be back together soon. I have been updating my baking skills and enjoying some lovely days in my garden in this sunshine. I've even planted this gorgeous strawberry plant! I am thinking of you all, and although we can't see each other right now I am thinking of each and everyone of you everyday.

Stay safe & keep smiling love Miss Smith x

Dear Parent, Carers and Children,

It was so wonderful to be in touch with some of your parents last week, we loved hearing how you are getting on and what you've been up to in this wonderful weather!

We also know that it has been a tough time and some of the children may be struggling to understand or deal with their emotions at this time. We are always here to support - please email us or phone school if you need us! Mrs Swain has put up some Zone of Regulation work on the website for children to refresh.

We have put together another work pack for the children. Again, please don't feel pressured to 'home school' your children. They can work through the activities at their own pace.

Overview of activities

Our topic this term should have been all about Animals so we have based as much of the work around this as possible.

- Maths/Science - Classification of animals, don't worry if you can't print the resources - you might want to draw a venn diagram in another way e.g chalk on the path (maybe you could put your cuddly toy animals in it or draw pictures) or using hoops - however you'd like to try it!
- Writing - There is a whole school writing competition that Miss Haynes has set, so we would like everyone to take part, the deadline is 13th June. We would also like you to write your own animal report. Remember when we wrote one about dolphins? You can pick whichever animal you like, you can write, type or maybe even record yourself giving your presentation!
- Creative - National Smile Month - This month is national smile month - we would like you to design your own toothpaste! You are going to design it and make your own recipe. You might even want to make it!
- Children should still be reading daily and working on their times tables.

Well done to everyone that took part in the TTRS Tournament! We were very close to winning - let's keep practising read for the next tournament.

Don't forget, we have a year 4 email address, which parents and children can use if they need any help or support from any of us, even if it's just a hello! Please feel free to send us any photos of work that you have completed at home - we would love to see what you have been up to! Please include in your email whether you give permission for us to share on our school website and social media.

year4@lower-farm.walsall.sch.uk

Sending love and best wishes as always,

Mrs MacDiarmid, Mrs Carr, Mr Roberts, Mrs Wall, Miss Clarke, Mrs Sargeant and Miss Smith
