

Hello Year 4,

Inspiring excellence  
through learning together

We hope everyone is safe and well! We are missing you lots.

We are now setting online/virtual work for you to complete alongside the regularly updated learning

packs. We are going to be using the Oak National Academy website. This website has been backed by the government as a specific response to lockdown.

We will be directing you to some specific learning every week, there will be English, Maths and Foundation lessons to complete. As with all the work we send home, try to complete the work set but don't let this be a source of conflict, please do what you can.
