

Hi everyone,

Hope you are all doing well and staying safe. Hopefully now you are getting the chance to get some more time outdoors and start seeing some of your friends and family from a safe distance.

When it hasn't been raining, we have been going for lots of long walks. Last week we went to Wren's Nest to do a bit of fossil hunting. It's a beautiful place for a walk, lots to discover!

Next week I am moving into a new house which is keeping me very busy!

Take care everyone,
Mrs Carr xxx

Hi year 4,

I hope you are all well and keeping safe. I am missing you lots but have enjoyed seeing what you have been doing through your emails and speaking to the people you live with. Keep sending your pictures please.

I have been busy looking after my vegetables I've planted, and have enjoyed lots of reading in the garden too. Have you been reading? What has been your favourite book?

We have been baking lots too. My favourite so far was a sponge cake with butter cream and fresh strawberries in the middle.

Hoping we will be together again soon.
Keep smiling.
Mrs
MacDiarmid

Hi everyone 😊

I hope you are all safe and well. It's been lovely seeing a few more familiar faces at school from our year group. Hopefully come September we will all be able to be together again. If we don't see you before the end of term, have a good summer holiday and stay safe!

Looking forward to seeing you, thinking of you all.

Love from
Mrs Sargeant ♥

Hello everyone,

I hope you are all keeping safe. I have been thinking of you all during this difficult time. I am looking forward to seeing you all in September.

Take Care,
Mrs Wall xx

Dear Parent, Carers and Children,

We have put together another work pack for the children. Again, please don't feel pressured to complete it all, the children can work through the activities at their own pace.

Overview of activities

- Maths - Some data and measures work. We've also popped in a booklet that some parents requested that the children can print off and work through.
- Writing - Write a letter to a future family member - telling them all about what life was like through 2020.
- Creative - Children's Art Week - we've listed a few ideas to keep you busy!
- Children should still be **reading daily** and working on their **times tables**.

I have set up another TTRS tournament! This time it's year 4 girls vs boys! If children have lost their logins or are having any trouble logging in and want to then please send us an email, we can help you to sort it out.

Remember to send us any photos of work that you have completed at home - we would love to see what you have been up to! Please include in your email whether you give permission for us to share on our school website and social media.

year4@lower-farm.walsall.sch.uk

Sending love and best wishes as always,

Mrs MacDiarmid, Mrs Carr, Mrs Wall, Miss Clarke, Mrs Sargeant and Miss Smith
