

Throughout July it will be 'Children's Art Week'. The themes for this year's art week are:

1. The Natural World
2. Connecting Across Generations

We would like the children to choose one of these themes to create a piece of art work. Below are some suggestions that the children might want to try:

The Natural World

- Create a mini wildlife pond
<https://www.rspb.org.uk/get-involved/activities/give-nature-a-home-in-your-garden/garden-activities/createaminipond/>

- Become a wildlife photographer and take pictures of all the natural things you find out on a walk.
- Create a photo frame using twigs

Connecting Across Generations

- Create a family tree

- Family hand collage
